Every business entity that files a Net Profit License Fee return is subject to the Business Minimum License Fee even if there is no physical location in the urban county.

A \$100.00 minimum license fee for the first business location, plus \$ 25.00 for each additional location, is due on or before December 31, 2009. A late filing penalty of \$25.00 for each location is due for any forms received after the due date.

For retail/manufacturing businesses, a separate license is required for each physical location from which business is conducted. For service-type businesses, a separate license is required for each office location within the urban county.
